The Friends in Iowa Centre were very appreciative of their appreciation of the visit paid them by our Friends Jesse W. Blue and Horace B. Foster and received them in much love.

Our dear Friend Jesse W. Blue in addressing the meeting spoke by the ministry of Christ Jesus and of his love for us, and how we should by the power of these united and live in love for one another, and felt that the Lord of Hosts would draw them to unity as they also felt that the visit to the Independence meeting at Cambridge was a satisfaction to them. We expressed appreciation of the services of our Companion Horace B. Foster.
